October 2023

Best Researcher Award 8:00AM

7015: Hydrogen sulfide alleviates mitochondrial damage and ferroptosis by regulating OPA3-NFS1 axis in doxorubicin-induced cardiotoxicity.

Dr. Yifan Wang, State Key Laboratory for Oncogenes and Related Genes, Division of Cardiology, Renji Hospital, School of Medicine, Shanghai Jiao Tong University, Shanghai Cancer Institute, Shanghai, China, China.

Best Researcher Award 9:00AM

7011: Salivary gland epithelial cell in Sjögren's syndrome: Metabolic shift and altered mitochondrial morphology toward an innate immune cell function.

Prof Dr. Fotini Skopouli, Harokopio University/Euroclinic of Athens, Greece.

Best Researcher Award 10:00AM

6985: Validation of the Brief COPE-A inventory in Russian for adolescents.

Dr. Julia Marakshina, Psychological Institute of Russian Academy of Education, Russia.

Best Researcher Award 11:00AM

6982: Antiviral activity studies on 1H-indole-2,3-diones carrying naphthalene moiety.

Dr. Özge Soylyu-Eter, Istanbul University Faculty of Pharmacy, Turkey.

Event Schedule

October 2023

Best Researcher Award 8:00AM

6847: Aptamers Dimerization Inspired Biomimetic Clamp Assay Towards Impedimetric SARS-CoV-2 Antigen Detection.

Prof. Liyun Zhang, Nankai University, China.

Best Researcher Award 9:00AM

6729: Rapid prediction of airborne gaseous pollutant transport in aircraft cabins based on proper orthogonal decomposition and the Markov chain method.

Ms. Yun Wei, Civil Aviation University of China, China.

About Venue

Paris, France

Paris, the capital of France, is an enchanting city that effortlessly weaves together centuries of history, artistic brilliance, and cosmopolitan vibrancy. Nestled along the graceful curves of the River Seine, Paris is a symphony of iconic landmarks, from the towering elegance of the Eiffel Tower to the intricate beauty of Notre-Dame Cathedral. Its cobblestone streets are a canvas where art, literature, and fashion intertwine, and its charming neighborhoods reveal a tapestry of stories. The Louvre Museum, a treasure trove of human creativity, houses masterpieces that have inspired generations. Culinary delights abound in the city's bistros and patisseries, inviting indulgence in exquisite flavors. Paris, with its elegant boulevards, intimate cafés, and intimate parks, is a living ode to romance and culture, a place where the old and new coalesce in harmony, offering a timeless experience to every soul fortunate enough to explore its enchanting streets.
